President's Message

Lisa discussed the need to change direction and try to find ways to make more people feel like they belong with the Boosters to increase membership. Everyone at the meeting introduced themselves and how they were related to Skyview High School. Meetings are generally held the second Wednesday of the month and is a great way to stay informed of what is going on at the school and in the district.

Treasurer's report

Carol and Kristen explained how the bank balance was higher than the actual Booster funds available – Total accounts include club funds utilizing the Boosters accounts as a service bank. The budget still has the Principal's fund and graduation line items. The amount to allot for these two items has not been determined due to lack of income. 2009 Graduation did not need to utilize the funds due to the decrease in cost by holding graduation at Skyview. Additional income comes from advertisement signs at Kiggins and the school. Businesses can designate what club they would like the funds to go to. The signs are paid for annually. Annual billing is taken care of by Bob Benson. A copy of the Treasurer's report is attached.

Hospitality

Mary and Ann discussed are planning a continental breakfast for September 28th. This may be changed to a brunch depending on the time available.
